

# Back to school

With everybody getting ready to head back to school and we see summer coming to an end, we can help you with your children's general health and well being. We can help prepare them to be in top form before being exposed to a mass amount of germs.

**Call us for an appointment today for:**

**School / Sports Pre-Participation Physical Exam**

**Review Allergy Dietary Restrictions Forms**

**Review your child's General Health & Well Being**
